Re: Lewis v. American Sugar Refining, Inc., et al
Civil Action No. 14-cv-02302

Dear Judge Kelly:

This office represents Defendants American Sugar Refining, Inc. and Mehandra Ramphal. Please allow this letter to respond to Your Honor's letter of today's date (Dkt#142) and update the Court on Defendants' objections to Dr. Parson.

In response to the Court's letter, please be advised that the defense has withdrawn authentication objections to PX-1, PX-11 and PX-20. The only exhibits that the defense objects based on authentication are PX-1, PX-2, PX-3, PX-4, PX-5, PX-7 and PX-21.

PX-22 has been withdrawn by Plaintiff's counsels as it is identical to PX-5.

Lastly, Plaintiff's counsel confirmed that they will not be calling Dr. Parson as an expert witness. Therefore, this office withdraws any objections to qualifications. This office reserves the right to interpose objections during Dr. Parson's testimony if she attempts to exceed the permissible scope of a treating provider's testimony.

Respectfully submitted,

/s/ Michael T. Hensley
